Sri Radha

Bhaktisiddhanta Sarasvati Thakura

To be able to observe the lofty position of Srimati Radharani and Her confidential associates is not within the realm of the common people. Especially and only those who engage constantly in intimate, confidential and eternal loving service to Her understand this sacred truth. Conversely, no one for that matter can fathom the mysteries and esoteric implications of such pastimes except Her confidential associates.

The day when our link with this material world is limited to the barest necessities, and furthermore, when our trivial opinions, concocted austerities, pious works, so called knowledge and mystic power are considered worthless like straw; when our worship of Narayana in His mood of majesty is not relishable in the least; at that time when we are not inclined at all to be out-spoken in the confidential topics of divine pastimes like the rasa dance, only then will we be fit candidates to receive such confidential information.

The service to Lordships Sri Sri Radha Govinda is not expressible in common language. The use of the words svakiya, parakiya usually become intermingled with our own intense residual desires of sense gratification. It is for this reason, due to lack of qualified people, that the divine pastimes of Sri Radha Krishna can not be discussed, heard and understood by the common people of this world, and in saying there is very few qualified people is not an exaggeration.
